Welcome to the Turnbull Clan Association.

The Turnbull Clan Association (TCA) is a non-profit organization with a mission to research, preserve, and promote our cultural heritage and clan family history for the enjoyment and benefit of our members and of future generations. TCA also serves as a fraternal organization which brings together individuals who are descended from the Turnbull family and its branches. Variations of the name Turnbull and family septs include: Tornbule, Tornebule, Tornebu, Tourneboeuf, Tournebu, Tournebull, Tremble, Trimble, Trombel, Trumball, Trumble, Trumbull, Trumell, Trummel, Turnball, Turnbo, Turnbul, Turnebull, Roule, and Rule.

In addition to promoting cultural heritage and clan family history, TCA serves as a genealogical archive for individual family branches. The archival process and its accompanying searchable database are an ongoing project for which we solicit your participation. If you are interested in adding your related family tree to these archives please contact webmaster@turnbullclan.com.

TCA sponsors a Clan tent at popular Highland games so that members may have a chance to meet TCA representatives and build friendly relationships with others to whom they are "related" though the Turnbull Clan.

TCA's newsletter, the *Bullseye* which is published monthly covers current events, items of general interest, member's activities and reviews historical Scottish and Turnbull topics of interest. The newsletter is available electronically printed. If you use e-mail and have Internet access, I urge you to subscribe to the electronic versions of the newsletters as well as or instead of the printed version. To receive your newsletters on-line send your e-mail address and request to secretary@turnbullclan.com.

Please enjoy the TCA website at www.turnbullclan.com where you will find a wealth of information and a multitude of links to things Turnbull in Scotland and around the world. Please note that some areas of the website, such as the online newsletters, are only available to members. You will receive your member login and password with your welcome packet. Be sure to catch up on TCA activities by reading the recent newsletters in the members-only section.

Remember that TCA is your association. This means that it is not only for you but it is also of and by you. We solicit your input and participation in making TCA as informative, fun, and meaningful as possible.

Fortune Favors the Bold,

A handwritten signature in black ink that reads "Rhet Turnbull".

Rhet Turnbull
President
