Welcome and thank you for registering with the Turnbull Clan Association (TCA). We are a non-profit organization with a mission to research, preserve, and promote our cultural heritage and clan family history for the enjoyment and benefit of our members and future generations. TCA also serves as a fraternal organization which brings together individuals who are descended from the Turnbull family and its many branches.

In addition to promoting cultural heritage and clan family history, TCA serves as a genealogical archive and resource for individual family branches. The archival process and its extensive searchable database are an ongoing project for which we solicit your participation. If you are interested in adding your related family tree to these archives please contact webmaster@turnbullclan.com.

TCA sponsors a Clan tent at popular Highland games so that members may have a chance to meet TCA representatives and build friendly relationships with others to whom they are related though the Turnbull Clan.

TCA's newsletter, the *Bullseye* which is published monthly covers current events, items of general interest, member's activities and reviews historical Scottish and Turnbull topics of interest. The newsletter is available electronically or in printed form by post to supporting members. I am pleased to tell you that you will be receiving a three month complimentary subscription to the *Bullseye* by email.

Please enjoy the TCA website at www.turnbullclan.com where you will find a wealth of information and a multitude of links to things Turnbull in Scotland and around the world. Please note that some areas of the website, such as the online newsletters, are only available to supporting members.

I trust that you will enjoy being a part of the Turnbull Clan Association and that you will choose to register as a supporting member and contribute US\$24 per year dues. If you do so, you will receive a membership certificate suitable for framing and a login and password for the members-only area of the website. When you receive your member login, be sure to catch up on TCA activities by reading the recent newsletters in the members-only section.

Remember that TCA is your association. This means that it is not only for you but it is also of and by you. We solicit your input and participation in making TCA as informative, fun, and meaningful as possible.

Fortune Favors the Bold,

Rhet Turnbull
President
